09 January 2019

Dear Resident,

Richard Battersby of ARRIBA Consultants has been asked by Camden Council to carry out an inspection of the domestic hot and cold water services at:

The Curnock Street Estate consisting of:

Barnborough, Billingley, Darfield, Goldthorpe, Hickleton, Mexborough,
Ravenscar, The Marr, Thurnscoe, Trimdon, Warmsworth, 55 Camden Street

In order to carry out this work we need to establish how the hot and cold water is distributed throughout the building. To do this we need to take temperatures of the water services at various locations.

We need to take temperatures of the hot and cold water in the kitchen and the bathroom of your flat. This work will only take 5/10 minutes at the most.

If you were not at home when we called and are available during the day, can you please ring Richard Battersby on 07990 851942 to make arrangements for him to do this work.

If you want to confirm the need for this work then you are requested to contact:

David Cattell – 0207 974 1259

At Camden Council.

Yours sincerely

David Cattell
